

SEEDA invites you to South East England

The South East England Development Agency (SEEDA) works to achieve sustainable economic growth and prosperity in the South East region through expert intervention, expert deal-making and expert advice.

We operate at a local, national and international level to attract inward investment, to help South East businesses reach their full potential and to access practical support from a range of partners.

SEEDA will help establish your business in a choice of strategic locations and:

- Provide you with comprehensive information on business opportunities in the UK's South East.
- Provide tailor-made information and practical advice on setting up a business in the UK.
- Provide key members of your management team with advice on immigration, housing, education and relocation.
- Identify suitable property options, for current and future needs.

- Arrange and accompany you on your personal visit to the region.
- Provide effective access to world class research taking place in the region's 24 universities and higher education institutes.
- Identify suitable sub-contractors, utility providers, component and service suppliers.
- Signpost you to a wealth of business support to help you maintain your competitiveness.
- Introduce you to professional service providers such as accountants, lawyers, bankers and recruitment specialists.
- Provide advice on trading with profitable overseas markets.

SEEDA will also broker local relationships, with relevant agencies, on your behalf.
